Hodder Children's Books

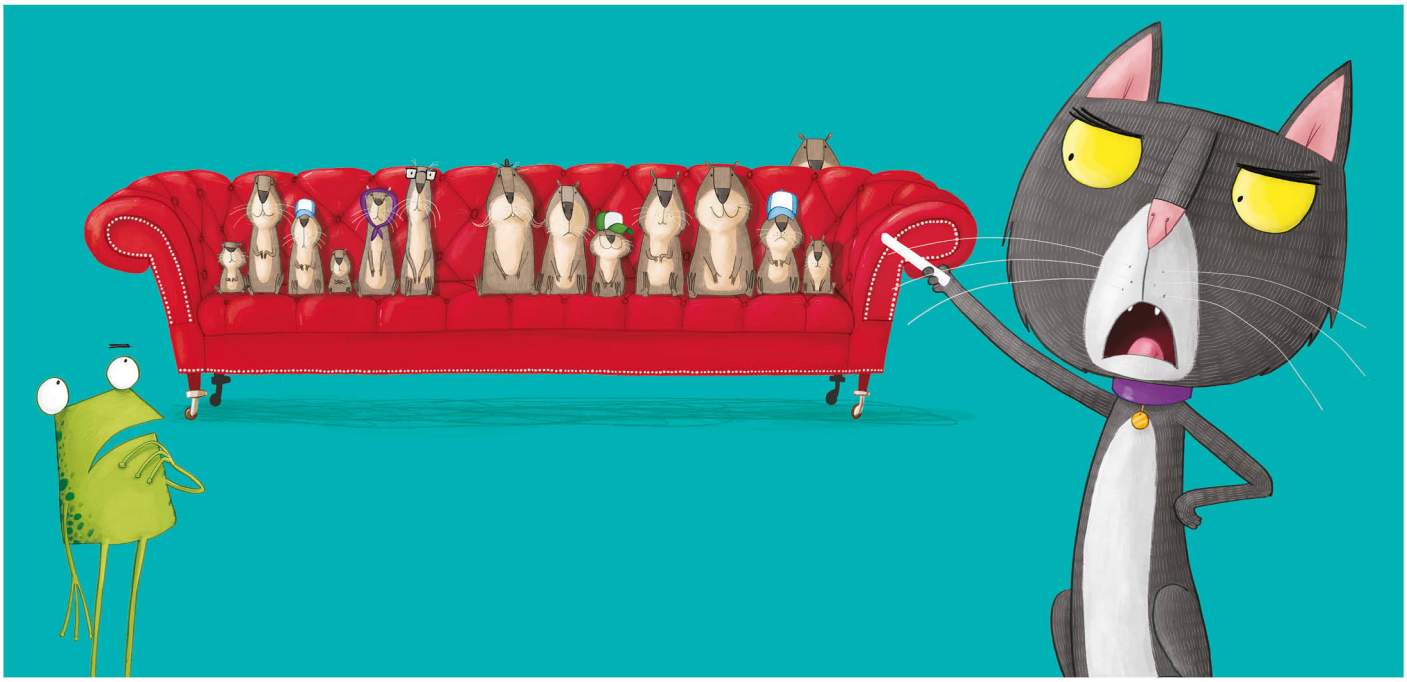
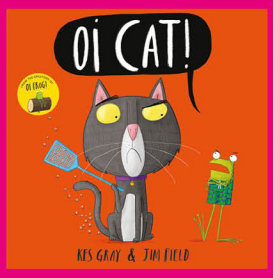
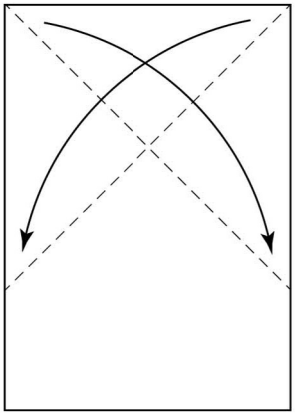
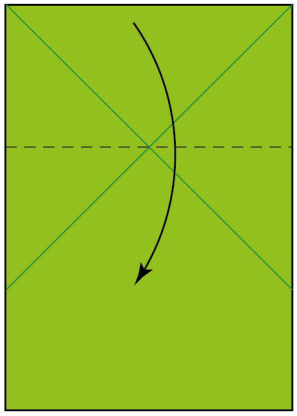
There are 5 differences between these two pictures. Can you spot them all?



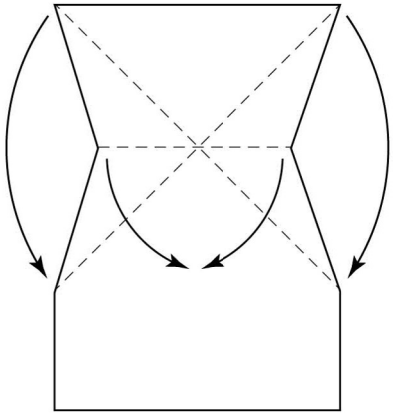




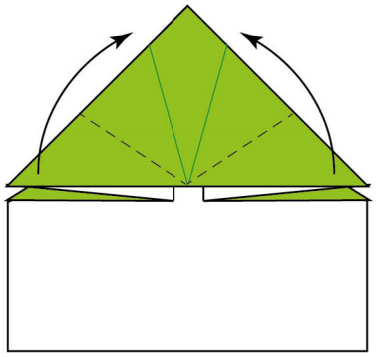
Start white side up. Fold and unfold diagonally, so the top edge is in line with the side edge.



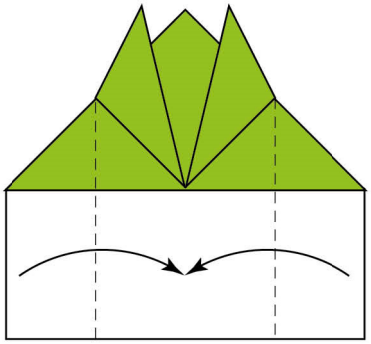
Turn over, then fold and unfold in the centre of the X.



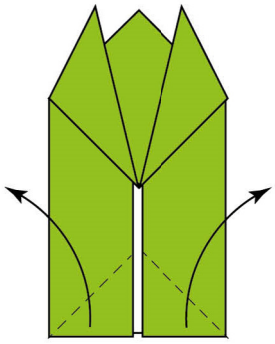
Turn over, then fold the top corners down, pushing the midpoints inwards to form a triangle.



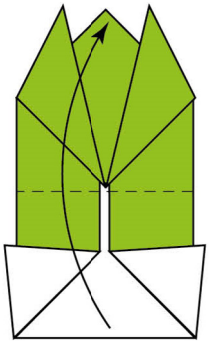
Fold up the top two corners of the triangular shape so that they point out a little.



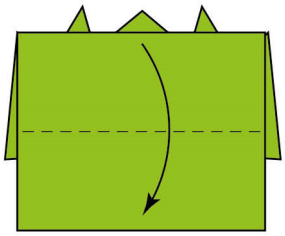
Fold the sides in so that they meet in the centre.



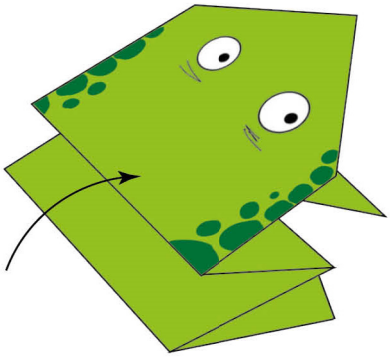
Fold out the bottom corners to form the rear legs.



Fold in half, bringing the bottom edge up to the top.



Fold the top layer in half, bringing the top edge down to the bottom.



Turn over. Your frog is finished! Add some eyes and decorate him. Then tap him on the back to make him jump!
