TwoRoadsBooks

Two Roads publishes around 15 books a year and is looking for strong narrative in fiction or non fiction.

Actually, what I like to buy are those books I can't put down and want to press into the hands of my friends and say *you must read this!* I like stories from other places and times, told in a distinctive voice and which are a bit of a discovery. That's the joy of it.

In addition to my Two Roads authors, I've published Augusten Burroughs, Daniel Wallace, Mitch Albom, James McBride, John Grogan, Jacki Lyden, Scott Simon, Giles Milton, Jordan Belfort and Azar Nafisi, among others.
