JANUARY

The Little Guide to Chanel No.5

OH

The classic fragrance that has stood the test of time.

There are few perfumes as iconic as Chanel No.5. At a time where the fragrance industry revolved around creating perfumes that emulated a single flower, Coco Chanel wanted to produce a fragrance that challenged this norm – for the new, modern woman. In 1921, perfumer Ernest Beaux created Chanel No.5. While it featured a blend of floral notes, what made this fragrance truly stand out was its liberal use of aldehydes, giving the perfume its iconic clean, soapy smell.

The Little Guide to Chanel No.5 is a delightful delve into its captivating history, its impact on the fragrance industry's trajectory and the scent's evolution over the years. With fascinating facts and insightful quotes, trace the story of the perfume that has defined the modern woman for over 100 years.

'It was what I was waiting for. A perfume like nothing else. A woman's perfume, with the scent of a woman.'

COCO CHANEL

The perfume got its name because it was the fifth sample of Ernest Beaux's creations, although some also suggest five was also Coco Chanel's lucky number.

The Little Book of Wild Swimming

OH

Imprint: OH
 UK Pub: 06/01/2027
 US Pub: 11/01/2027
 Format: Hardback
 UK Price: £6.99
 US Price: \$8.95
 ISBN: 9781035444946

Wild swimming is a time-honoured tradition, well known for its countless physical and mental benefits. Its popularity surged during the Covid pandemic, when the closure of public pools prompted people to rediscover rivers, lakes and seas – and many haven't looked back. Exhilarating and restorative in equal measure, wild swimming offers an antidote to busy modern lives and reconnect with nature – and themselves.

The Little Book of Wild Swimming is the perfect introduction for anyone who feels the pull of open water. Packed with inspiring quotes, fascinating facts and practical tips, this book invites readers to embrace their wild side and discover the joy in swimming outdoors.

Whether you're a seasoned wild swimmer or taking your first dip, this little book is an accessible, uplifting guide to this transformative activity. Immerse yourself in natural waters – and see what you learn about yourself along the way.

'Swimming is a rite of passage, a crossing of boundaries: the line of the shore, the bank of the river... the surface itself.'

ROGER DEAKIN

In 2022, 94% of respondents to a survey by The Outdoor Swimming Society listed the main reason they swam as simply 'joy'.

The OH list features innovative, quirky books that reflect style, popular culture and current trends.

The Little Guide to Stevie Nicks

OH

Imprint: OH
 UK Pub: 06/01/2027
 US Pub: 05/01/2027
 Format: Hardback
 UK Price: £6.99
 US Price: \$8.95
 ISBN: 9781035450213

The ultimate gift for Stevie Nicks and Fleetwood Mac fans alike – and anyone who's ever twirled a baton in a chiffon shawl. *The Little Guide to Stevie Nicks* is all you need when you need a quick fix of Nicks. For more than 50 years, Stevie has bewitched the world – first as one-fifth of one of the best-selling bands of all time, then as a shapeshifting solo superstar in her own right.

Adorned in leather and lace, this tiny tome is a compact celebration of the woman who helped sculpt rock 'n' roll's golden age – and just in the nick of time, as we approach the 50th anniversary of *Rumours*. It tells her story, from struggling LA waitress to one of the most influential songwriters of her generation, cited as an inspiration by many of today's elite entertainers such as Taylor Swift and Harry Styles.

This is the perfect pocket-sized tribute for Stevie devotees, which last time we looked was everyone. Get your copy now before it becomes like gold dust!

'Christine and I made a pact the day I joined Fleetwood Mac. She and I said, 'We will never be treated like second-class citizens. We will never be not allowed to hang out in a room full of intelligent, crazy rock and roll stars – because we're just as crazy and just as intelligent as they are.'

STEVIE NICKS, INTERVIEW WITH ROB SHEFFIELD, ROLLING STONE, 28 FEBRUARY 2019

In 2001, Destiny's Child – the biggest-selling act of the new millennium – sampled the iconic guitar riff from Stevie's 1981 hit 'Edge of Seventeen' for their No.1 single 'Bootylicious'. (They handed her 50 per cent of the songwriting royalties too.) Stevie even appears in the music video, miming guitar alongside Beyoncé, Kelly Rowland and Michelle Williams. 'It was an honour to have such a legend in our video', Beyoncé said.'

The OH list features innovative, quirky books that reflect style, popular culture and current trends.

The Little Guide to the Birkin Bag

OH

The iconic bag that has stood the test of time.

There is no handbag that says luxury quite like the Hermès Birkin. Created for and named after the Anglo-French actress Jane Birkin in 1984, the Hermès Birkin has dominated red-carpets and the arms of the rich and famous for over forty years. Famously difficult to attain, the Hermès Birkin has acquired a near-mythical reputation as the world's most-coveted handbag.

Trace the fascinating history of the Hermès Birkin's, from its chance-creation and many iterations, as well as the intricate craftsmanship that goes into each piece and the plethora of stars who have carried it, from Kate Moss to Victoria Beckham.

It's not a bag, it's a Birkin.'

SAMANTHA JONES, *SEX AND THE CITY*

Each Birkin bag is made by a specially trained Hermès artisan who can take between 18 to 24 hours to create just one piece. The Paris workrooms only produce five or six bags a week, fuelling the Birkin's reputation as the most exclusive handbag in the world.

Today, she shares her signature blend of creativity and flavour with over 185K loyal followers on Instagram. She lives in London, UK.

Love Letters of War

Imperial War Museums

A poignant collection of 100 deeply personal missives, *Love Letters of War* reveals the personal cost of conflict, and the joyful and heartbreaking moments experienced by lovers in wartime.

With over 7,500 personal letters from the First World War and 12,000 from the Second World War, the archives of the Imperial War Museums shine a light on the intimate lives of the Forces and their loved ones.

Love Letters of War features the transcribed letters of 100 of the most moving, fascinating, heartbreaking and inspiring missives from IWM's collection. This carefully considered selection includes letters from a broad spectrum of society and experience, from unrequited passion, lasting love (with one couple exchanging over 700 letters) and forbidden love between opposing sides, to rare letters surfaced by the IWM's LGBTQ+ network and from collections such as the National Museum of African American History and Culture.

Bringing together research from IWM's expert curator Anthony Richards with items donated by families of the Forces, *Love Letters of War* is a memorable and nostalgic read laying bare the universal language of love. Personal photographs, items, original letters and drawings accompany the letters, placing them in context alongside thoughtful notes on each selected letter.

Your favourite baked treats made healthy at home. With over 70 delicious yet nourishing recipes, this book shows you that bakes don't need to be a guilty pleasure – even your favourite cookie can be good for you!

From the Tahini S'more Cookie to Spiced Pumpkin Loaf, and Better-For-You Millionaire Bars to Pecan Tahini Tart, every recipe is packed with natural ingredients and designed to help you meet your daily fibre, protein, and fruit and veg goals. Whether you need a post workout boost, an office pick-me-up, or an on-the-go breakfast, say goodbye to overly processed snacks and discover tasty homemade alternatives that fit seamlessly into your busy lifestyle.

With wellness callouts to help you pick the best recipe for your nutritional needs and an essential *Bake it Healthy* pantry guide, this book is more than a collection of recipes – it's a guide to eating smarter and feeling good. Plus, stunning photography ensures every bake looks as good as it tastes!

Arianne Jones is a chef, Olympic athlete, holistic nutritionist and content creator. During a series of life-changing health challenges, including surviving one of the rarest infections in medical history, she dedicated herself to nourishing her body – and yours – with joyful, homemade food. Now, Arianne's superpower is baking treats that taste so delicious it's hard to believe they are healthy.

Bob Dylan in New York

Sarah Herman

Step into the world of a legend with the ultimate pilgrimage through Dylan's New York – a city whose streets shaped the voice of a generation.

This beautifully illustrated guide invites readers to wander through Dylan's personal map of Manhattan and beyond, taking in the bohemian venues of Greenwich Village, ascending the steps of the New York County Supreme Court (where Robert Zimmerman became 'Bob Dylan'), and strolling along Jones Street, reliving the iconic album artwork of *The Freewheelin'*.

Along the way, discover charming coffee stops and uncover the hotels, hangouts and inside stories behind encounters with cultural giants from Allen Ginsberg to Woody Guthrie, all woven into the fabric of the city Dylan called home.

The Story of Louboutin Heels

Laia Farran Graves

First conceived in a Parisian atelier in the early 1990s, the fashionista's favourite footwear quickly became a global symbol of desire and style.

With their unmistakable red soles, Louboutins are among the world's most instantly recognizable heels and have remained a red-carpet staple for decades with devotees including Taylor Swift, who reportedly had over 250 bespoke pairs for her Eras Tour.

This stylish guide traces the meteoric rise of the Louboutin heel, delving into the inspirations behind its signature designs – materials, heel heights, and embellishments – alongside limited-edition creations, bespoke commissions, iconic celebrity moments and the legendary innovations that turned the red sole into a worldwide phenomenon.

The Little Guide to NY Yankees

OH

Since 1913, the New York Yankees have built an empire, a brand, and a legacy unlike any other team in American sports. According to Forbes, they rank as the fourth-highest valued sports franchise in the world (behind the Dallas Cowboys, Golden State Warriors and Los Angeles Rams) with an estimated value of \$8 billion in 2025. Proof, if ever needed, that Yankee influence stretches far beyond the field.

The Little Guide to the New York Yankees celebrates the iconic team with 180 bite-sized quotes, quips, facts and stats, all packed into a compact compendium that fits neatly into any fan's mitt. From Babe Ruth to Derek Jeter, Joe DiMaggio to Mickey Mantle, this tiny tome brings together the legends and moments that shaped Yankee greatness – so far. Put simply: They are the best to ever play ball...

'I want to thank the Good Lord for making me a Yankee.'

JOE DIMAGGIO, LEGENDARY CENTRE FIELD, OCTOBER 1, 1949

27 = The Yankees' record number of World Series championships, the most by any franchise in MLB history! Can you remember all the years they won?*

* 1923, 1927, 1928, 1932, 1936, 1937, 1938, 1939, 1941, 1943, 1947, 1949, 1950, 1951, 1952, 1953, 1956, 1958, 1961, 1962, 1977, 1978, 1996, 1998, 1999, 2000, 2009.

The Little Guide to LA Dodgers

OH

Imprint: OH
 UK Pub: 18/02/2027
 US Pub: 23/02/2027
 Format: Hardback
 UK Price: £6.99
 US Price: \$8.95
 ISBN: 9781035444830

Born in Brooklyn in 1883, the LA Dodgers – named after the ‘Trolley Dodgers,’ a nickname for fans who once dodged streetcars outside the old ballpark – were reborn in California’s Sunshine State in 1958 and have since built one of the most iconic franchises in sport.

With 11 World Series titles, 27 pennants and one of the most loyal fanbases in baseball, the Dodgers don’t just play ball – they define it. From Jackie Robinson breaking barriers in 1947 to Sandy Koufax’s untouchable pitching in 1955, Mike Piazza’s super-sluggery in 2004 to Shohei Ohtani’s record-shattering contract for the 2024 season, greatness is stitched into every seam of a Dodger Blue jersey (Pantone 294, FYI). The team became back-to-back champions after winning the 2025 World Series, rocketing the legends of LA even deeper into global stardom.

Packed with 180 hard-hitting, pitch-perfect quotes every true-blue fan deserves – plus a feast of facts and stats – this tiny tome is your celebratory front-row ticket to the best show in baseball. Grab a hot dog, it’s time to relish the Dodgers. Go Blues!

‘I bleed Dodger blue and when I die, I’m going to the big Dodger in the sky.’

TOMMY LASORDA, DODGERS MANAGER

‘I became a good pitcher when I stopped trying to make them miss the ball and started trying to make them hit it.’

SANDY KOUFAX, LEGENDARY PITCHER

The OH list features innovative, quirky books that reflect style, popular culture and current trends.

The Little Guide to Tiffany & Co.

OH

Tiffany & Co. began as a modest stationery shop in 1837, when Charles Lewis Tiffany and John B. Young opened a small New York establishment. By 1853, Tiffany took the reins, renamed the business and set it firmly on a glorious path toward diamonds and jewellery – and the world has sparkled ever since! Today, Tiffany & Co. is one of the most adored and prestigious names in couture and culture, valued at more than \$13 billion, and adorned by idols and icons old and new.

The Little Guide to Tiffany shines bright with 180 dazzling facts that celebrate nearly two centuries of brilliance. A tiny tome as perfectly cut as a Tiffany diamond, as iconic as the Tiffany Blue Box – and roughly the same size... but a fraction of the cost!

'Beautiful design makes a beautiful life.'

CHARLES LEWIS TIFFANY, TIFFANY.COM, 1882

'I don't want to own anything until I find a place where me and things go together. I'm not sure where that is but I know what it is like. It's like Tiffany's.'

HOLLY GOLIGHTLY, BREAKFAST AT TIFFANY'S, 1961.

Tiffany's iconic robin's-egg blue is one of the most recognisable brand colours in the world. Inspired by a portrait of Empress Eugénie de Montijo – a 19th-century fashion icon – Charles Lewis Tiffany chose the same elegant shade for the company's boxes and bags. The colour later became Pantone 1837, named after Tiffany's founding year, and remains a protected trademark. Paired with the refined Tiffany typeface – a serif font created by Ed Benguiat – the Blue Box that all diamonds were sold in soon became the ultimate symbol of luxury and desire.

The OH list features innovative, quirky books that reflect style, popular culture and current trends.

The Little Guide to Rolex

OH

Imprint: OH
 UK Pub: 18/02/2027
 US Pub: 23/02/2027
 Format: Hardback
 UK Price: £6.99
 US Price: \$8.95
 ISBN: 9781035444779

Worn by explorers, adventurers, celebrities and cinema's greatest heroes for more than a century, Rolex is, without a doubt, the world's greatest symbol of precision, masculinity and luxury.

Founded in 1905 – when men still favoured pocket watches and wristwatches were considered unreliable – Hans Wilsdorf set out to change the time he lived in. He envisioned timepieces that were accurate, elegant and robust, commissioning the finest Swiss design, artistry and accuracy from Bienne to achieve his vision. From a small London start-up, Rolex grew into the world's most celebrated watchmaker, synonymous with engineering mastery and timeless sophistication – a watch worth celebrating every second.

The Little Guide to Rolex highlights 180 iconic moments in the brand's 120-year career, from the first waterproof Oyster to deep-diving Submariners, record-breaking expeditions to first-class advertising, all revealed by quotes, facts and stats that highlight its cultural impact.

As Rolex declared in 1965, 'It doesn't just tell time. It tells history.' Let's strap in, time is ticking...

'I wore a Rolex 40 years ago when I broke the sound barrier and I still do today. A pilot has to believe in his equipment. That's why I wear a Rolex.' **GENERAL CHUCK YEAGER, 1992**

Rolex changed watchmaking history in 1926 with the launch of the Oyster – the world's first waterproof wristwatch. To prove it worked, Rolex chose a dramatic first test: the English Channel. On October 21, 1927, swimmer Mercedes Gleitze, the first English woman to cross from France to England, wore a Rolex Oyster during her marathon swim in icy waters. When she emerged, the watch was still perfectly sealed and telling the accurate time.

The OH list features innovative, quirky books that reflect style, popular culture and current trends.

Formula One 2027

Bruce Jones

The world's bestselling Grand Prix handbook is back for the new season.

Formula One 2027 is the definitive guide to the F1 season – a complete examination of all the teams, drivers and tracks featured in the packed Grand Prix calendar. Including a full review of the 2026 season and a breakdown of the key talking points ahead of 2027, this indispensable guidebook features a full breakdown of last season's drivers' and constructors' world championship results, as well as a fill-in chart for 2027, so each book becomes your own personalised guide to the year's action.

Written by bestselling F1 author Bruce Jones and containing dozens of breathtaking photographs and detailed circuit illustrations plus a statistics section highlighting the major records in F1 history, this is the only guide you'll need for the racing action ahead.

Celebrate the making of a videogame legend with this illustrated tribute to Final Fantasy.

Across 40 years, 16 mainline games and dozens of spin-offs, the Final Fantasy series has helped set the bar for artistry, storytelling and innovation in role-playing videogames. From the humble beginnings of 1987's first instalment to the cinematic grandeur of Final Fantasy VII: Rebirth, the series has constantly pushed boundaries and given fans endless unforgettable moments.

The Story of Final Fantasy follows the evolution of this iconic Japanese franchise – from its 2D, turn-based origins and experimentation with fantasy and science fiction tropes, through to its 3D reinventions and remarkable MMO successes. Featuring gorgeous original illustrations throughout, this beautifully designed and giftable handbook is packed with stories, trivia and insights on the legendary creators, beloved characters and unique quirks that have made Final Fantasy the king of JRPGs.

Alex Donaldson is a critic, journalist, web developer and copywriter primarily focused on the world of videogames and emergent technology. He is the co-founder and publisher of RPG Site, the web's most-trafficked genre-specific destination for fans of the sprawling role-playing game genre. Across a career spanning two decades, his work has appeared across a range of media outlets including Eurogamer, VG247, Sky and the BBC. He lives in Solihull.

 ISBN: 9781035437849

Celebrate the making of a videogame icon with this illustrated tribute to The Legend of Zelda.

A hero. A princess. An evil force. Swords and shields, mountains and oceans, dungeons and dragons, music and magic. The Legend of Zelda features countless elements of classic fantasy, yet its combination of artistic originality, design ingenuity and impeccable quality make it utterly unique. Across four decades and more than 20 mainline entries, no series has had as profound an effect on the world of videogames.

The Story of The Legend of Zelda celebrates the art and evolution of this iconic Nintendo franchise, from its revolutionary introduction to the land of Hyrule in 1986 and its 3D reinvention in Ocarina of Time, through to its open-world reimagining in Breath of the Wild and beyond. Written by award-winning journalist and Zelda fanatic Christian Donlan, and featuring gorgeous original illustrations from Caroline Choi, this beautifully designed and giftable handbook is packed with stories, trivia and insights on the legendary creators, beloved characters and unforgettable worlds that have made Zelda the jewel in Nintendo's crown.

Christian Donlan is an award-winning journalist whose work has appeared in the *New Statesman*, *Edge magazine* and *Vice*, amongst other places. He is a veteran former editor on staff at Eurogamer, and now a regular contributor. He lives in Brighton with his family.

Chilled

Katy McClelland

Your go-to guide for effortlessly cool meals that are light, fresh, and full of flavour – perfect for sunny days and balmy evenings.

This book offers a refreshing selection of 75 simple, satisfying recipes designed for warm weather, from no-fuss weekday winners to impressive dishes for al fresco entertaining. Think gazpacho with creamy burrata, zesty salmon ceviche, crispy lime chickpea salad, and vibrant poke bowls. You'll also find refreshing twists on classic salads, fancy wraps, and chilled desserts like gooseberry fool to round off your meal.

Whether you're dining solo, feeding the family, or hosting in the garden, these recipes make it easy to eat well – without breaking a sweat.

 Format: Hardback
 UK Price: £6.99
 US Price: \$8.95
 ISBN: 9781035444960

Tom Ford is one of the most distinctive and innovative fashion designers of his time.

Known for his visionary designs and unique flair, Ford reshaped the world of luxury fashion and has left an enduring mark on contemporary culture. Widely credited with revitalizing Gucci, Ford rescued the brand as it approached bankruptcy, transforming it into a fashion powerhouse. He also won awards for his modernization of Yves St Laurent under Gucci, despite facing criticism from the founder.

In 2005, Ford launched his own eponymous label in 2005, sharing the same sleek sensuality and impeccable tailoring that had come to define his work. In the same year, he also established his own film production company and has produced a number of critically acclaimed films.

The Little Guide to Tom Ford is the perfect introduction to the designer's remarkable career and legacy.

'I was born in a jacket. I was the only three-year-old who walked around with a blazer folded over his arm.'

TOM FORD

Tom Ford is one of the most decorated designers of his generation, having won countless fashion awards for his work with Gucci and his own brand. He has received multiple Council of Fashion Designers of America (CFDA) awards, including a Lifetime Achievement Award. In 2024, he was honoured with the British Fashion Council's Outstanding Achievement Award.

Despite been written over 400 years ago, the humour, learnings and themes found in the works of Shakespeare remain undeniably modern.

The Little Book of Shakespeare's Wit & Wisdom compiles prescient, profound, and punny insights from the world's most beloved wordsmith. Spanning heartfelt declarations, moving poetry and deliciously dry derisions – this little book is packed full of the Bard's punchiest quotes and quips.

Perfect as a gift or your own pocket companion, benefit from the enduring insights of Shakespeare. Whether you need lessons in love, advice on a dilemma, or simply a good ol' laugh, this tiny tome equips you with lines for life.

'The course of true love never did run smooth.'

LYSANDER, A MIDSUMMER'S NIGHT'S DREAM, ACT 1 SCENE 1

'The web of our life is of a mingled yarn, good and ill together.'

FIRST LORD, ALL'S WELL THAT ENDS WELL, ACT 4 SCENE 3

'Reputation is an idle and most false imposition; oft got without merit, and lost without deserving.'

IAGO, OTHELLO, ACT 2 SCENE 3

It's A Beautiful Day To Save Lives: The Little Guide to Grey's Anatomy OH

Imprint: OH
 UK Pub: 04/03/2027
 US Pub: 08/06/2027
 Format: Hardback
 UK Price: £6.99
 US Price: \$8.95
 ISBN: 9781035436668

Welcome to a hospital like no other, where the most common diagnoses are heartsickness and relationship break-downs. With a colossal 22 seasons since it first aired in 2005, Grey's Anatomy is one of the longest-running prime time TV shows in the US. With over 40 awards and 200 nominations, Grey's Anatomy is as acclaimed as it is beloved.

The Little Guide to Grey's Anatomy is packed full of all your favourite quotes, moments and facts from 20 years of prime time television glory. Whether you secretly want to be Dr Meredith Grey, are charmed by McDreamy or long to work in Grey Sloan Memorial Hospital, this compact collection is the must-have companion for any Grey's Anatomy superfan. With behind-the-scenes content and surprising trivia, this book is the perfect companion for your next binge-watching marathon.

'Pick me, choose me, love me'

DR MEREDITH GREY

'If you love someone, you tell them. Even if you're scared that it's not the right thing. Even if you're scared that it'll cause problems. Even if you're scared that it will burn your life to the ground, you say it, and you say it loud and you go from there.'

The Little Book of Ramen

OH

Affordable, nutritious and delicious: Ramen is the nourishing comfort food that has taken the world by storm.

Ramen has transcended far beyond its instant noodle origins to become a gourmet dish, packed full of exciting flavours and upgradeable additions that elevate this beloved staple.

Full of rich history, mouth-watering recipes and fascinating facts, this little guide is packed with seriously bold flavour. Grab your chopsticks and take a journey from Japanese street stalls to Gen-Z Tik-Tok twists on this classic meal, and uncover the food that proves comfort and convenience can still be oh-so tasty.

The term 'ramen' refers to the type of noodle. In Chinese, they are called lamian ('la' meaning 'to pull' and 'mian' meaning noodles), and 'ramen' is the Japanese pronunciation.

'A bowl of ramen is a self-contained universe with life from the sea, the mountains and the earth. All existing in perfect harmony.'

The Little Book of Birds

OH

Imprint: OH
 UK Pub: 04/03/2027
 US Pub: 08/06/2027
 Format: Hardback
 UK Price: £6.99
 US Price: \$8.95
 ISBN: 9781035449828

Since 2018, the hobby of birdwatching has increased in popularity by 47 per cent – but you don't have to be a birdwatcher to be a bird lover. Around the world, millions of people delight in the sight and song of these extraordinary creatures, while artists, writers, musicians and naturalists have long been inspired by their beauty, grace and remarkable lives.

Packed with fascinating facts, colourful snippets and memorable quotations, *The Little Book of Birds* celebrates that enduring relationship. Meet nightingales, flamingos, ravens and swifts, and discover spectacular feats of migration and astonishing examples of avian intelligence. Explore birds in myth, literature and popular culture and learn how they have captured the human imagination, becoming powerful symbols of freedom, hope, wisdom and joy. Along the way, enjoy reflections and observations from great thinkers, writers and bird lovers through the ages.

Blending wit, wisdom and wonder, this charming book will inspire you to get outside, reconnect with nature and listen to the birds. It's a treasure trove of enchanting quotes, fascinating stories and surprising discoveries – and a timely reminder that, as many bird populations decline, protecting them for future generations has never been more important.

'Everyone likes birds. What wild creature is more accessible to our eyes and ears, as close to us and everyone in the world, as universal as the bird?' **DAVID ATTENBOROUGH**

The world's smallest bird is the Bee Hummingbird, found only in Cuba. This tiny creature is a mere 5.5cm (2.2in) long and weighs just 1.9 grams (0.07oz) – about the size of a large bee. Despite its miniature proportions, it's a powerful flier, hovering effortlessly above flowers as it feeds on their nectar.

The OH list features innovative, quirky books that reflect style, popular culture and current trends.

The Martini Bar

Owen Williams

From master mixologist Owen Williams, this book celebrates the most iconic cocktail: the martini. From mastering the authentic martini to daring modern reinventions, this is the ultimate guide to mastering the martini – in all its forms.

Martinis have been the cocktail of choice for over 100 years, and in recent years the martini has been reborn in numerous new and exciting ways. The current 'it' cocktail, the martini is experiencing a wave of popularity. Whether a classic martini, a dirty martini, a porn star martini or an espresso martini, each iteration has its own charms and distinct identity. This book uses Owen Williams' signature creativity to create the definitive martini bible, with over 60 imaginative variations on the martini, alongside the fascinating history of the drink and stunning photography.

Imprint: OH

The Little Guide to McLaren

OH

Imprint: OH

UK Pub: 01/04/2027

US Pub: 11/05/2027

Format: Hardback

UK Price: £6.99

US Price: \$8.95

ISBN: 9781035445028

McLaren is a name that needs no introduction. From motorsport domination to its innovative roadcars, this brand screams high-performance to whichever area it lends its name.

The Little Guide to McLaren traces the history of the cars, leaders, designers and drivers who have made their mark on this esteemed marque. It follows the extraordinary journey of McLaren on and off the track, from its founding by Bruce McLaren in 1963 and historic drivers like Ayrton Senna and Alain Prost all the way up to the present day and the iconic intra-team rivalry between Lando Norris and Oscar Piastri.

Learn about McLaren's prowess across Formula 1, the Indianapolis 500, the 24 Hours of Le Mans and more, as well as their most iconic F1 and road cars such as the McLaren F1, GTS and MP4. Packed full of fascinating facts and insightful quotes, this is the perfect gift for McLaren fans and petrolheads alike.

'The luck thing – really there's no such thing as good luck. It's good preparation and hard work.'

BRUCE MCLAREN

The McLaren MP4/1, introduced in 1981, was a revolutionary Formula 1 car designed by John Barnard. It was the first F1 car to use a full carbon-fibre monocoque chassis, making it significantly lighter, stiffer and much safer than traditional aluminium designs. Despite early reliability issues, the MP4/1 proved competitive, taking McLaren's first win of the Ron Dennis era in 1981. Its safety was famously demonstrated when John Watson survived a major crash uninjured.

The OH list features innovative, quirky books that reflect style, popular culture and current trends.

The Little Guide to Porsche

OH

Porsche is a car manufacturer where the name alone immediately evokes luxury. For over 90 years, Porsche has created cars at the forefront of class and innovation. From the showroom to the racetrack, their sports cars and streetcars alike are defined by their powerful engines and sleek design.

Tracing the story of the legendary marque as well as its iconic models from the 911 and the Carrera to the 917 and the Taycan – this little guide is the perfect introduction to the ultimate German export.

Straddling tradition and progress, heritage and innovation, Porsche continues to build on its legacy and push its vehicles to new heights. Dive into the journey of this impressive motoring brand and feel the pull of the Porsche spirit.

Porsche sold 190,000 vehicles in 2024, generating sales revenues of €17.2 billion.

‘Those lucky enough to build a business out of a dream owe it to the world to be the caretakers of these dreams.’

Lawn and Order

Philip Clayton

Imprint: Welbeck
 UK Pub: 01/04/2027
 US Pub: 04/05/2027
 Format: Hardback
 UK Price: £14.99
 US Price: \$16.95
 ISBN: 9781035447459

Do you dream of a luscious lawn that's the envy of your neighbourhood? Look no further!

In this approachable and practical guide, expert gardener Philip Clayton unpacks the myths and misinformation around lawn care to give you clear, easy, practical advice on maintaining the lawn of your dreams.

Including:

- The ten lawn commandments
- Mowing: a connoisseur's guide – how to get stripes to die for
- Manicured or meadow? Achieve the look you want
- Small habits, big difference – what to start (and stop) doing
- Lawn myths busted

Combining time-honoured know-how with smart tips and tricks, this book will take you one step closer to the perfect green lawn.

Philip Clayton is a garden expert and writer with over 20 years' experience. He has worked for the Royal Horticultural Society and Royal Botanic Gardens, Kew. He has a BSc in horticulture and gardens professionally at The Manor, Cambridgeshire.

Previously Deputy Editor of *The Gardener*, Philip's most recent book, *A Plant for Every Day of the Year*, was published in October 2022. He lives in England.

The Little Book of Golf Jokes

OH

Imprint: OH
 UK Pub: 01/04/2027
 US Pub: 11/05/2027
 Format: Hardback
 UK Price: £6.99
 US Price: \$8.95
 ISBN: 9781035445042

It is a well-known truth that to be a golfer you must have a great sense of humour. Because it's the most ridiculous sport in the world. As deceptively simple as it is endlessly complicated, as Arnold Palmer once famously said, golf is a puzzle no player, amateur or professional, has yet to solve. And, let's be honest, never wants to. A bad day on the green is better than any good day anywhere else.

Since 2020, golf is on the rise again, with more than 500 million players and TV spectators tuning in for the biggest tournaments. It's little surprise, then, that the sport comes with its own curious sense of humour: a collection of one-liners, jokes, puns and gags as old (and as tired) as the game itself, which dates back to the 15th century. Hidden at the bottom of the bag, there are, of course, absolute belters too... the kind of jokes that even Rory McIlroy couldn't beat with a club, even if he wanted to.

The Little Books of Golf Jokes is packed with 180 classic (and not-so-classic) jokes about the sport that wears too many polo shirts. Whether you're a scratch golfer, a serial bunker visitor or a clubhouse loiterer, this tiny tome is the perfect golf cart companion, ideal for cheering players up during long rounds when the ball doesn't have the legs to find the hole. When that happens, putt your feet up, grip this book and rip it, then laugh all the way to the 19th hole. Enjoy!

What does a golfer eat for lunch? Sand wedges.

After church one Sunday, a churchgoer walked up to his priest and asked, 'Father, is it a sin to play golf on Sundays?' The priest put his hand on the man's shoulder and said, 'My son, I've seen your golf game. It's a sin any day.'

The OH list features innovative, quirky books that reflect style, popular culture and current trends.

The Story of Mercedes-AMG: Formula One

Welbeck

Imprint: Welbeck
 UK Pub: 15/04/2027
 US Pub: 04/05/2027
 Format: Hardback
 UK Price: £14.99
 US Price: \$18.95
 ISBN: 9781035448548

Discover the incredible history of one of the most famous names in motorsport with this celebration of the Mercedes-AMG Formula 1 team.

Mercedes have been at the forefront of motor racing since the earliest days of the sport. Starting with their first Grand Prix win in 1914, the Silver Arrows have racked up more than 130 F1 victories, making them one of the biggest and most successful teams on the grid.

In The Story of Mercedes-AMG: Formula One, every key aspect of this magnificent racing team is explored and showcased, from the cars that first raced before World War I to the incredible machines so dominant in modern F1 today.

Exploring the engineering of the cars and telling the stories of the drivers who took them to glory, this book highlights all the key moments forever etched into F1 history, including the first World Championship wins in the 1950s for the legendary Juan Manuel Fangio, the return of Michael Schumacher in 2010, Lewis Hamilton's incredible six drivers' titles, and the rise of new star Kimi Antonelli. It also explores all the twists and turns of the on-track action over the decades, and includes the background stories of those who made it all possible.

Filled with fabulous imagery and insightful commentary, *The Story of Mercedes-AMG: Formula One* charts the history of this legendary marque in a beautifully giftable package.

Phillip Horton is a highly respected Formula 1 journalist and author, reporting for Autoweek, The New York Times, Motorsport Week, Motorsport Monday and the official Formula 1 website, as well media work for F1 teams McLaren, Haas and Red Bull. He has written *The Grand Prix Year: An Insider's Guide to Formula 1 Racing* (Bloomsbury Sport 2025), and regularly updates World Formula One Records for Welbeck. He is based in Hampshire, UK.

The Story of Ferrari: Formula One

Welbeck

Imprint: Welbeck
 UK Pub: 15/04/2027
 US Pub: 04/05/2027
 Format: Hardback
 UK Price: £14.99
 US Price: \$18.95
 ISBN: 9781035448562

Discover the incredible history of the most famous name in motorsport with this tribute to the Ferrari Formula 1 team.

Ferrari exists to go racing and for more than 70 years its cars have been synonymous with Formula 1. The only ever-present team since the start of the World Championship, Ferrari holds every F1 record available and its name evokes passion and engineering excellence.

In The Story of Ferrari: Formula One, every key aspect of this magnificent racing team is explored and showcased, from the cars that first raced in Monaco in 1950 to the incredible machines seen today.

Delving into the design of the cars and telling the stories of those who drove them, this book highlights all the legendary achievements forever etched into Ferrari folklore, including the first title win in 1952, the glory years of Niki Lauda in the 1970s and Michael Schumacher in the 2000s, through to Lewis Hamilton's championship push today. It also explores all the twists and turns of the on-track action over the decades, and includes the background stories of those who made it all possible.

Filled with fabulous imagery and insightful commentary, *The Story of Ferrari: Formula One* charts the history of this legendary marque in a beautifully giftable package.

Alex Kalinauckas is the author of *The Story of McLaren* for Welbeck. He is an F1 editor at The Athletic and is a former Autosport Grand Prix Editor, covering every Formula 1 race since the start of 2020. He worked for a range of motorsport and technology publications while covering national racing as an Autosport freelancer, before joining full-time in April 2017 as the magazine's Assistant Editor covering Formula 2 and GP3. He was made Formula E correspondent and Autosport.com's Plus Editor in March 2018. He lives in London.

BBC Proms 100

Nicholas Kenyon

CELEBRATE 100 MAGICAL MOMENTS FROM 100 YEARS OF THE PROMS.

Since 1927 the BBC has broadcast the Proms concerts to the nation, sharing each wondrous season of classical music with an audience of millions. This centenary souvenir celebrates 100 moments, memories, people and pieces that have shone with particular brilliance.

From landmark events and inspirational performances to the dynamic modern concerts that radiate energy and life, this beautiful book collects a century of musical moments to engage the senses, stir the soul and tell the story of this season like no other.

The Official History of the Tour de France

Luke Edwardes-Evans, Serge Laget, Andy McGrath

Imprint: Welbeck
 UK Pub: 06/05/2027
 US Pub: 11/05/2027
 Format: Hardback
 UK Price: £25.00
 US Price: \$29.95
 ISBN: 9781035450961

A lavish, illustrated companion to the Tour de France that makes for the perfect gift for any cycling fan.

The Official History of the Tour de France – fully revised and updated for 2027 – is a celebration of one of the greatest annual sporting events on the planet, and the premier competition in world cycling.

Through more than 300 photographs, rarely seen documents and items of memorabilia, this book covers more than a century of fascinating stories about the Tour and its many iconic features, from the gruelling challenges of its mountain climbs to its unmistakable yellow jersey.

This revised and updated edition includes an authoritative narrative account of each major era, from the origins of the event in the early 20th century, right up to and including the thrilling 2026 Tour. There are features on superstar cyclists and memorable moments from each period of the Tour's rich history, plus a foreword from legendary Tour de France champion Bernard Hinault. A must-read for cycling fans everywhere, this is the definitive illustrated book on the Tour.

Luke Edwardes-Evans is a freelance writer who regularly contributes articles to *Cycling Weekly*. He is the author of *The Official Tour de France Bike Maintenance Book* and co-author (with Serge Laget) of *The Official Treasures of the Tour de France*.

Andy McGrath is a staff writer for *Cycling Weekly* and *Cycle Sport* magazines. He has covered the Tour de France, Tour of Italy and the sport's big one-day Classics.

The Little Guide to The Ryder Cup

OH

Imprint: OH
 UK Pub: 06/05/2027
 US Pub: 11/05/2027
 Format: Hardback
 UK Price: £6.99
 US Price: \$8.95
 ISBN: 9781035445134

Samuel Ryder's vision behind the contest between two nations was to 'influence a cordial, friendly and peaceful feeling throughout the whole civilised world.' Throughout its hundred-year history, that spirit has made some notable appearances. But for the most part, it's been gritty, teeth-clenched competition – the outcome of which has meant much more than it should.

The British golf commentator and eight-times Ryder Cup player Peter Alliss put it best: 'It would be very easy to drool with sentimentality over the Ryder Cup. But, at the end of the day, it is simply two teams trying to knock seven bells out of each other, in the nicest possible way.' Whether or not you're a golfer, the Ryder Cup has always had international significance that doesn't always bring harmony: these two continents have chips on their shoulders, and it's all about winning.

Packed with quotes and descriptions of key events, stories about leading characters, statistics, records – as well as greatest shots, best banter and most offensive golf wear – this little book of quotes, anecdotes and facts encapsulate the competition's unique spirit and global significance. As American golfer Kenny Perry said: 'I said this week would define my career, but it hasn't. It has made it.'

'We went over there to win, not be good ol' boys.'

American team captain Sam Snead could not conceal his anger after Jack Nicklaus famously (and generously) conceded Tony Jacklin's putt on the 18th green, resulting in the 1969 Ryder Cup being tied.

'All men die, but not all men live. This week, you made me feel alive again.'

Europe Captain Jose Maria Olazabel after his team had secured an unexpected victory at Medinah in 2012.

The OH list features innovative, quirky books that reflect style, popular culture and current trends.

The Skincare Year

Anita Bhagwandas

If beauty feels like homework, *The Skincare Year* is your cheat sheet.

Your skin doesn't stay the same all year – so your routine shouldn't either. Central heating, summer sweat, spring allergies, autumn dullness: each season shifts how your skin behaves. Once you understand that rhythm, everything changes. You stop reacting to flare-ups and start anticipating them. You stop chasing glow and start building it through balance.

This isn't about perfection. It's a practical, seasonal guide for real skin in real life – skin that breaks out before big meetings, flakes the moment the heating comes on, and refuses to behave on cue. You'll get the science without the snobbery, the rituals without the rigidity, and a smarter, calmer way to care for your skin all year round.

The Skincare Year treats your skin as something living and responsive – not a problem to be fixed, but a beautiful relationship to nurture.

The Little Book of Haunted Edinburgh

OH

Imprint: OH
 UK Pub: 06/05/2027
 US Pub: 11/05/2027
 Format: Hardback
 UK Price: £6.99
 US Price: \$8.95
 ISBN: 9781035445080

Edinburgh is one of Europe's most atmospheric cities, but beneath its postcard beauty lies a dark history. From the imposing Greyfriars Kirkyard – said to be one of the world's most haunted sites – to the eerie underground vaults beneath South Bridge and the shadowy closes of the Old Town, this book uncovers the chilling tales behind the city's streets and landmarks.

Readers will encounter some of Edinburgh's most notorious stories and figures, including the body snatchers Burke and Hare, tales of witchcraft and execution, and the ghostly presences said to linger in locations such as Mary King's Close and Edinburgh Castle. Haunted pubs and hotels, mysterious alleys and passageways, and centuries-old graveyards all feature in this compelling journey through the city's darker side. Blending history, folklore and local legend, this book combines colourful accounts with evocative quotes from historic and literary figures such as King James VI and Robert Louis Stevenson. Alongside famous locations and well-known tales, it also explores lesser-known stories and strange encounters that bring Edinburgh's supernatural past vividly to life.

Perfect for fans of the paranormal, this compact gift-format title will appear to tourists and locals alike. Rich in atmosphere and intrigue, *The Little Book of Haunted Edinburgh* offers an entertaining introduction to the city's enduring fascination with ghosts, mystery and the macabre.

'No one in Scotland can escape from the past. It is everywhere, haunting like a ghost.'

La Dolce Vita Table

Francesca Versolatto

Imprint: OH
 UK Pub: 06/05/2027
 US Pub: 11/05/2027
 Format: Hardback
 UK Price: £25.00
 US Price: \$29.95
 ISBN: 9781035445363

Bring the spirit of the Italian seaside into your home with La Dolce Vita Table, a dazzling cookbook of 80 authentic, evocative and irresistible dishes that celebrate the beauty of la cucina italia.

From the terraces of Tuscany to the cliffside villages of Amalfi and the sunlit kitchens of Sardinia to the harbours of Sicily, enjoy a little coastal magic with delectable recipes that turn humble ingredients into something truly special.

With rich, savoury and comforting classics like Panzanella Toscana, Pollo alla Ligure and Salsiccia al Forno and more, alongside flavourful twists, fresh ideas and vegan options that will delight everyone at the table, every bite will evoke the warmth of sunlit kitchens, the aroma of sizzling dough and the fulfilling joy of sharing food.

Liguria smells of basil and sea breeze.

Puglia tastes of olive oil, warm bread and summer sun.

Sicily balances sweet and sour in ways that somehow feel completely natural.

Campania treats tomatoes almost like religion...

This book is not a collection of complicated restaurant dishes designed to impress your guest.

It is more of a journey through the warmth and spirit of the Italian coast – through family traditions, humble recipes and flavours shaped by fishermen, grandmothers, neighbours and home cooks over generations.

After graduating in Languages and East Asian Economic Institutions and Law at the University Ca' Foscari of Venice, Francesca Versolatto lived for a year in China, travelling between Beijing, Shanghai, Xi'an, Chengdu, Guilin, Lhasa and Dalian.

Always passionate about cooking, she loves to experiment and modify existing recipes to create new ones. At the beginning of 2013 her path led to working as a Home Economist, and it was love at first bite. La Dolce Vita Table is her first book. Francesca is based in Italy.

The Little Book of Literary Dublin

OH

Imprint: OH
 UK Pub: 06/05/2027
 US Pub: 11/05/2027
 Format: Hardback
 UK Price: £6.99
 US Price: \$8.95
 ISBN: 9781035445066

From the elegant squares of Georgian Dublin to the bustling streets around Temple Bar and the River Liffey, Dublin is a city shaped by stories. Its history and character have inspired some of the world's greatest writers, and this little book explores the places, people and works that helped establish the Irish capital as one of the world's great literary cities.

Encounter poets, playwrights and novelists including James Joyce, Oscar Wilde, W.B. Yeats and Seamus Heaney, and visit the pubs, theatres and streets that shaped their lives and work. Step inside Trinity Library, one of the most beautiful in the world, and discover St Patrick's Cathedral, where Jonathan Swift served as Dean and found inspiration for Gulliver's Travels. Enjoy a pint of Guinness at McDaid's – a pub once frequented by Brendan Behan and Flann O'Brien – and explore Trinity College Dublin, the backdrop to Sally Rooney's acclaimed early novels. Browse through the books in the third-oldest bookshop in the world, Hodges Figgis, and take it all in at the Museum of Literature Ireland – which holds immersive exhibitions celebrating Irish writers and literary culture, including Joyce's famous 'Copy No. 1' of Ulysses.

Blending literary history, colourful anecdotes and wise and witty quotes, *The Little Book of Literary Dublin* is an entertaining introduction to the writers, landmarks and stories that have been written large in the cityscape.

'A good puzzle would be to cross Dublin without passing a pub.'

JAMES JOYCES, ULYSSES, 1922

'Dublin is extraordinarily beautiful to her in wet weather, the way grey stone darkens to black, and rain moves over the grass and whispers on slick roof tiles.'

SALLY ROONEY, NORMAL PEOPLE, 2018

The Little Book of Mean Cats

OH

Imprint: OH
 UK Pub: 03/06/2027
 US Pub: 08/06/2027
 Format: Hardback
 UK Price: £6.99
 US Price: \$8.95
 ISBN: 9781035444854

Cats are lazy, selfish, rude, mean – and often downright evil. We all know this to be true. But, let's be honest: it's why we love them so much! They knock things off shelves just to watch them fall, sleep in the middle of our beds and refuse to budge, judge us from across the room with a stare that could kill a horse, pounce on toddlers with a devilishly glee and caterwaul all night long when they don't get the attention they feel they deserve. It's little wonder that we considered cats in league with the Devil for more than a millennia during the medieval era – because they probably were!

The Little Book of Mean Cats is stuffed with more than 180 deliciously sharp facts, stats, quotes, quips and stories celebrating curious, cunning, chaotic and contemptuous cats. From historical divas to literary tricksters, cats of legends to legendary cats, this tiny tome is a tribute to the world's most pawsome tyrants. The perfect gift for anyone who knows you never truly own a cat – it owns you.

'Some people say that cats are sneaky, evil, and cruel. True, and they have many other fine qualities as well.'

MISSY DIZICK, CATS ARE BETTER THAN DOGS, 1993

'As every cat owner knows, nobody owns a cat.'

ELLEN PERRY BERKELEY, AT GRANDMOTHER'S TABLE, 2000

Things Mean Cats Do: Top 10

1. Knock something off a table, while making direct eye contact.
2. Sit on your laptop the second you open it – especially just before a meeting.
3. Wake you up at 3:47 AM, for no reason.
4. Stare into corners like they definitely see ghosts.
5. Get wet outside then complain at you for how wet they are.

The OH list features innovative, quirky books that reflect style, popular culture and current trends.

The Little Guide to Loewe

OH

Imprint: OH
 UK Pub: 03/06/2027
 US Pub: 08/06/2027
 Format: Hardback
 UK Price: £6.99
 US Price: \$8.95
 ISBN: 9781035446650

Dive into the history and evolution of Loewe, with this compendium of fascinating facts and enlightening quotes. Beginning as a collective of leather craftsmen in Madrid in 1846, Loewe has grown into an edgy, internationally renowned fashion house, and a must-have brand for those in the know. All the while, the label has stayed close to its roots in craftsmanship, and has never lost its connection to high-quality leatherwork.

Over the years, the brand has played host to numerous high-profile creative directors, but the creative vision that most formed Loewe into the contemporary powerhouse it is today is that of Jonathan Anderson. With Anderson's groundbreaking tenure coming to a close in 2025, the fashion world is holding its breath to see where the new joint creative directors, Proenza Schouler founders Jack McCollough and Lazaro Hernandez, take the Loewe brand next.

Get up to date with everything you need to know about this groundbreaking brand, with *The Little Guide to Loewe*.

'We didn't know we were doing luxury. We do things well, in our own way: in a deeply artisanal way.'

ENRIQUE LOEWE, FOURTH GENERATION OF THE FOUNDING LOEWE FAMILY

'No other fashion designer today blurs the lines between the avant-garde and the commercial as imaginatively, or ruthlessly, as Jonathan Anderson.'

NICK HARAMIS, THE NYTIMES STYLE MAGAZINE

In 1905, Loewe was made the official supplier to the Spanish Royal Crown.

The OH list features innovative, quirky books that reflect style, popular culture and current trends.

Celine Dion: The Stories Behind the Songs

Annie Zaleski

Discover the fascinating stories that lie behind the music.

In a career spanning 45 glorious years, Celine Dion has produced some of the greatest songs in music history and taken her place as one of our greatest divas. Join award-winning, New York Times bestselling author Annie Zaleski (*Rolling Stone*, *Billboard*) as she uncovers the fascinating inspiration behind more than 200 of Celine's finest works – featuring new and exclusive interviews with the many of the songwriters themselves.

From Celine's biggest tracks to lesser-known jewels, Zaleski explores and explains the details of each song in turn, from mega-hits 'My Heart Will Go On' and 'It's All Coming Back to Me Now' to deep cuts and French-language gems.

The Little Guide to Vivienne Westwood

OH

Imprint: OH
 UK Pub: 03/06/2027
 US Pub: 08/06/2027
 Format: Hardback
 UK Price: £6.99
 US Price: \$8.95
 ISBN: 9781035446636

Punk, visionary, rebel, activist - these are only some words that can be used to describe Vivienne Westwood as well as, of course, iconic designer.

Westwood's strong political messaging and bold, unapologetically original designs came to define the punk aesthetic in the 1970s. From humble origins on the Kings Road in London to receiving countless awards and ultimately a damehood - there is no denying that Vivienne Westwood left an indelible mark on the fashion industry, culture and the world.

This little book charts the history of Vivienne Westwood - from Westwood's story and legacy to the brand's continued success today. Discover the iconic Pirate and Harris Tweed collections, the brand's mesmerizing orb and Westwood's committed activism. From Kate Moss and Dua Lipa to Harry Styles and Rihanna, Vivienne Westwood is adored by the rich and famous, fashion elite and everyday fashionistas alike.

With enlightening quotes from Westwood and those who knew her, as well as fascinating facts, this is the perfect book for fashion enthusiasts and nonconformists alike.

'My clothes have an identity... They have a character and a purpose. That's why they become classics. Because they keep on telling a story. They are still telling it.'

VIVIENNE WESTWOOD

Before becoming a celebrated designer, Vivienne Westwood was a primary school teacher. For five years she taught art to children, while selling jewellery on the side, teaching herself how to cut and sew, and using her school salary to take classes.

The co-founder of Vivienne Westwood's shop SEX, Malcolm McLaren, managed English band the Sex Pistols, who Westwood would become the outfitter for.

The OH list features innovative, quirky books that reflect style, popular culture and current trends.

A Compendium of Curious Dreams

Jay Vera Summer

Why do dreams feel so real – and so utterly bizarre? In *A Compendium of Curious Dreams*, the ordinary collides with the impossible: familiar faces shift identities, trains become flying carpets and emotions linger long after waking.

Drawing on psychology, neuroscience, philosophy and storytelling, this fascinating exploration unpacks humanity's enduring obsession with dreams and the mysteries hidden within them. The book examines why we dream, what shapes our strangest visions and how dreams influence waking life.

Whether you're a devoted dream journaler, a curious sceptic or an occasional daydreamer, this is an irresistible journey into the subconscious mind.

The Little Book of Good Dogs

OH

Imprint: OH
 UK Pub: 03/06/2027
 US Pub: 08/06/2027
 Format: Hardback
 UK Price: £6.99
 US Price: \$8.95
 ISBN: 9781035445110

There are one billion pet dogs in the world – meaning one billion best friends. If you haven't seen one pooping on the street today, don't worry – you will! As a dedicated dog lover you'll know that dogs come in all shapes and sizes, smells and styles, each as doting, dozy and delightful as the last. This tiny tome is a catalogue of dogs – a dogalogue, if you will – and it celebrates each and every kind.

Stuffed with gloriously fun facts and silly, soppy stories, *The Little Book of Good Dogs* is a tribute to everything we love about these furry creatures. From historical heroes to literary muses, dogs of legend to legendarily crazy dogs, this dog-eared companion is the perfect gift for anyone who knows you never truly own a dog – you gain a family member. Enjoy!

'A dog is the only thing on earth that loves you more than he loves himself.'

JOSH BILLINGS, EVERYBODY'S FRIEND, 1874

In 1936, acclaimed author John Steinbeck's Irish setter Toby ate half the manuscript of *Of Mice and Men* – two months of work, with no copies. Initially distraught, Steinbeck then decided Toby was in fact his greatest critic, and promoted him to 'lieutenant-colonel in charge of literature'. A surviving fragment of the chewed manuscript sold at auction in 2023 for \$13,000 (six times its estimated value), and *Of Mice and Men* went on to win the Nobel Prize for Literature – Toby deserves half the praise!

The OH list features innovative, quirky books that reflect style, popular culture and current trends.

Little Book of Omega

Sarah Fergusson

A giant of Swiss watchmaking, Omega is renowned for its quality, accuracy, and cultural significance – not least for being worn on the wrists of the first men on the Moon.

From Buzz Aldrin's Speedmaster to Elvis's Constellation, and James Bond's Seamaster to George Clooney's De Ville, Omega's prestigious designs have been worn by the great and the good since the brand's founding in a small Swiss workshop in the mid nineteenth century.

Little Book of Omega is a beautifully illustrated collection exploring the history, key designs, innovations, seminal moments and stylish credentials of these storied timepieces, worn by everyone from Daniel Craig and Colman Domingo to Sabrina Carpenter and Barry Keoghan. Written by Sarah Fergusson, Senior Specialist for Watches at Bonhams, and featuring 100 images, this is your expert guide to a groundbreaking and universally acclaimed brand.

From Valentine's offerings to aphrodisiacs, love philtres and symbols of everlasting love, the romantic gifts of plants have forever been harnessed in the pursuit of love.

Fantasy and folklore are rich with the role flowers, fruits and herbs play in our love lives – with plants and affairs of the heart always being intertwined. Whether used by unrequited admirers brewing potions or brides carrying bouquets to symbolise lifelong passion, discover over 60 enchanting species in *The Lovers' Garden* – with author Sandra Lawrence sharing the illuminating and surprising traditions and stories behind the plants of love, accompanied by esoteric illustrations, and beautiful botanical artwork from the Royal Botanic Gardens, Kew.

From the queenly romance of the rose to the secret language of flowers, orange blossom for a handfasting, the dark romance of love curses, horny goat weed for amorous lovers and wild bergamot love medicine, plants have been busy making love happen since time immemorial.

Fall for this distinctive and charming history from the author behind *Witch's Garden* and *The Magic of Mushrooms*.

THE ROYAL BOTANIC GARDENS, KEW is a world-famous scientific organisation, holding an unrivalled position for its outstanding collections of plants and fungi, artefacts and art, world-class Herbarium as well as its expertise in plant diversity, conservation and sustainable development. From its beginnings as a small physic garden in 1759 it has grown to become a top international visitor attraction and UNESCO World Heritage Site. Kew's 132 hectares of stunning landscaped gardens and iconic glasshouses make it one of the world's best-loved gardens, a paradise for plant lovers, offering a wealth of ideas and inspiration to all.

Sandra Lawrence has written for all the British broadsheet newspapers and many magazines, including Marie Claire, Britain, British Heritage, The English Garden and Kitchen Garden. Her 19 books mainly focus on history, gardens and folklore; she is probably best known for her biography of horticultural maverick Ellen Willmott, *Miss Willmott's Ghosts*. She is the author of three other esoteric titles with Kew, which have been translated into 10 languages – *Witch's Garden*, *The Magic of Mushrooms* and *Witch's Forest*. Her website is sandalawrence.com.

The Ryder Cup

Nick Callow

The Ryder Cup tells the complete story of one of the world's most prestigious sporting contests. Fiercely fought every two years, it uniquely pits teams from two golfing giants – Europe and the USA – against each other in a sport more usually associated with individual play.

Updated for the 100th anniversary tournament in September 2027, this beautifully illustrated book tells the full story of this great event, from its humble beginnings in 1927, to the titanic, see-saw struggles of the modern day. It looks at each of the Ryder Cups, and features the great players, pairings, captains and courses along the way. A book for sports fans everywhere, *The Ryder Cup* is the definitive chronicle of the history and prestige of this unique sporting phenomenon.
