

# BLUE PLAQUE PROJECT

Around the UK you sometimes see a round blue plaque on a building with a message about a famous person, organisation or event linked to that place.

Inspired by Usha and Imtiaz's adventure, cut out this template and create your own blue plaque to share the story of a local building or the people who lived there.

Tips for writing your blue plaque:

- Include the name of the person or organisation you are commemorating
- If you don't have a name, you can start with "On this site..."
- Don't forget to add dates
- Research existing blue plaques if you need some inspiration!
- Share your blue plaque with @hachettekids and @sitabrahmachari using #WSSSBluePlaqueProject

# WHEN SECRETS SET SAIL

*When Secrets Set Sail* is the breath-taking new adventure from award-winning author Sita Brahmachari. Set in London, adoptive sisters Usha and Imtiaz must race to uncover the secrets of their family's past, in order to save their home.

## BLUE PLAQUE PROJECT

In the story, Usha and Imtiaz discover that their house has an incredible history and was home to some very interesting people. Inspired by their adventure, why not research the history of your house, street or local area and see what you can discover?

Turn over for a fun activity to try at home this summer!
