# Make Your Own SCRIBBLE WITCH Hanging Mobile

## YOU WILL NEED:

- Scissors (don't forget to ask an adult for help first)
- String - six pieces
- Thick card (optional)
- Glue (optional)
- Holepunch (optional)

1. Cut out each piece of the mobile following the suggested lines. You should have three pieces in total.

You might want to glue the pieces on to thick card and then cut them out to make them sturdier

2. Carefully create holes in each piece where the circles dots are. You can do this with a holepunch to make it easier.

3. Tie a piece of string on to each of the four bottom holes on the top 'Scribble Witch' piece of your mobile.

How low you want your mobile to hang will determine how long your string should be.

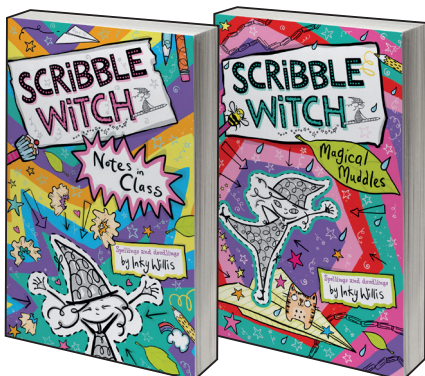

4. Attach each of the remaining pieces of your mobile to the strings.

5. Tie pieces of string to the top holes on the top piece and your mobile is ready to be hung up.

6. Now sit back and relax!

Why not ask an adult to take a photo of your mobile and share it on social media?
