NEW TITLES CATALOGUE 2024

WELCOME

Dear readers,

Welcome to the 2024 Hachette Children's Group catalogue.

Thank you for taking the time to look through our new publishing; you will find books here for every child, across every genre.

Our picture book and preschool offering includes a brand new *Five Little* felt flap board book series from the creators of the bestselling *Ten Little* series, lift-the-flap stories for little ones based on the enchanting world of Enid Blyton's *The Magic Faraway Tree* and a joyful and rhyming picture book, *Rainbowsaurus*, from favourite creator Steve Antony. We also have new titles from established talent duos such as Rachel Bright and Jim Field, Giles Andreae and Guy Parker-Rees, and Kes Grey and Jim Field, including the much-anticipated *Oi Dinosaurs!*

Our new fiction includes a colourful, hilarious and heartwarming graphic novel series about a shy kid who sprouts a unicorn horn and uses his newfound powers to help those in need; *Paper Dragons*, from impressive debut voice Siobhan McDermott, features dragons, magic and an unforgettable heroine, in a richly imagined world inspired by Chinese legend; the launch of *The Cheat Book* by the brilliantly talented author-illustrator Ramzee, who introduces readers to Kamal on his hilarious journey from 'Puke Boy' to popular; and, finally, for older readers, the first in a thrilling Black vampire fantasy trilogy, *Immortal Dark*, packed with dangerous desires and murderous secrets.

Our non-fiction titles include inspirational guides from comedian and author Rosie Jones; boundary-breaking explorer Preet Chandi MBE; and body-positive fashion and beauty creator Olivia Kirkby; and groundbreaking and fascinating books from psychologist and member of the prestigious Magic Circle Professor Richard Wiseman; TikTok historian Dr Suzie Edge; football YouTuber SV2; and radio producer, writer, podcaster and comedian Dan Schrieber.

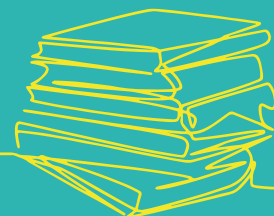

We hope children and young people everywhere will discover something here to delight, comfort, entertain and encourage them – perhaps all four!

Thank you for supporting Hachette Children's Group, proud to be Publishing for Every Child.
