CHILDREN'S GROUP

Design based on *You Are Awesome*, the No.1 bestselling guide to help children build resilience written by Matthew Syed and illustrated by Toby Triumph

Dear Readers,

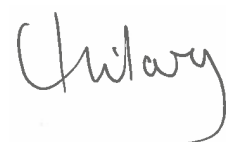

Welcome to the Hachette Children's Group 2021 frontlist catalogue.

The events of the last year have given us renewed focus on the central importance of our trade non-fiction publishing for our readers, teachers, families and booksellers, and the development of our increasingly diverse and inclusive fiction programme for readers of all ages. We have also seen continuous and gratifying success with our core picture book brands and titles. They are clearly fulfilling the need for entertainment, comfort and familiarity in very challenging times.

We are delighted that Laurence King's hugely imaginative and internationally recognised children's books joined the HCG list late last year. We are looking forward to building on the programme and taking the range in exciting new directions, too.

We have an excellent track record in creating new bestselling and award-winning books for children of all ages and interests, and are extremely proud of our talented authors and illustrators and the dynamic list they work with us to create. I know we have something to offer readers and retailers in every setting and will continue to innovate, developing our list this year to respond to changes in our markets and the tastes of our varied audiences.

With our very best wishes for a healthy and successful 2021.

Hilary Murray Hill
