# About the NIV

---

More than sixty years after the vision was cast – and more than 600 million copies later – the New International Version (NIV) is the most widely read modern English Bible translation in the world. That’s because the NIV delivers the very best combination of accuracy and readability. Hodder & Stoughton has been publishing the NIV Bible in British English since the translation was created forty years ago. We are committed to serving the church with the widest possible range of NIV Bibles at affordable prices. We hope you enjoy reading about these in more detail in this catalogue.

The NIV was always intended to be a translation which changes and develops in line with contemporary language usage and biblical scholarship. As you may know, the NIV was revised and updated in 2011 for the first time in 25 years. The majority of what has changed involves comparatively minor matters of vocabulary, sentence structure and punctuation. Other changes reflect advances in biblical scholarship over the last three decades. All these revisions aim to move the NIV from the English of 1984 to the English of the twenty-first century and are the decisions of the Committee on Bible Translation (CBT) – an independent and self-governing body comprised of renowned biblical scholars from across the evangelical spectrum, who meet annually to review the text. Further information about the translation and the work of the CBT can be found at [www.biblica.com](http://www.biblica.com).

With declarations and devotions by Thea Muir

This vibrant journalling Bible not only provides readers with extra-wide blank margins for journalling, but also includes 48 pages of illustrations from Thea Muir, author of *I Am So Many Things*. Each charming image is accompanied by an 'I am' statement derived from Bible truths that Thea repeated to herself in the mirror while she recovered from an eating disorder. The devotional pages propose activities and challenges to help the reader recognise their identity in God's eyes.

Readers are invited to meditate on the images and declarations such as, 'I am outrageously loved', 'I am fearfully and wonderfully made', or 'I am a child of God' and journal their response to each one in the wealth of space provided for creativity.

Thea Muir is a Christian artist, mural painter, writer and teacher. Together with her husband Dominic she leads short-term missions to India, South Africa and across the United Kingdom; painting, preaching the gospel and sharing the love and grace of God.

# NIV Journalling Bible

Illustrated by Hannah Dunnett

This NIV Journalling Bible is perfect for those who love to reflect and journal creatively in God's presence. The double-column setting and blank margins allow for plenty of room beside the Scriptures for your notes, drawings, stencilling and illumination, bringing a new depth and imagination to your quiet times.

Enhanced by Hannah Dunnett's stunning artwork, this edition of the New International Version will encourage you to spend time soaking in the Word as you meditate on her paintings, all of which include verses from the NIV. The endpapers feature original artwork by Hannah, inspired by the story of the Garden of Eden in Genesis, and Revelation's 'Heavenly City'.

# NIV Journalling Bible in One Year

The *NIV Bible In One Year* is a popular daily Bible reading programme which makes it simple to read through the whole Bible in 365 days. It splits up the Bible into daily readings, with an Old Testament, New Testament and Psalm or Proverbs excerpt for each day of the year. It is ideal for personal devotions or to read as a community and will take you only fifteen minutes a day.

The sequence of Bible readings matches that of Alpha pioneer and HTB vicar, Nicky Gumbel's Bible in One Year app, in which Nicky provides daily commentary on the chosen passages, accompanied by prayers. Why not make this the year you read the Bible from beginning to end – one of these elegant volumes will help you do just that.

## Larger Print Pew Bibles

---

In every congregation there will be members for whom the text in the standard-sized NIV pew Bibles is too small to be read comfortably. To meet this need, we have enlarged our pew editions to create the *NIV Larger Print Hardback Bibles* in blue and burgundy. Both of these are identical in design and contents to the existing pew Bibles, just with larger, 11pt text. The page numbers therefore also match those found in the standard pew editions.

'I will send my messenger ahead of me, who will prepare your way;<sup>3</sup>  
 a voice of one calling in the wilderness, "Prepare the way for the Lord, make straight paths for him."  
 And so John the Baptist appeared in the wilderness, preaching a baptism of repentance for the forgiveness of sins. The whole Judean countryside and all the Jerusalem area went out to him.

# To listen to

Listening to the Bible as an audiobook can be an enjoyable and beneficial way of absorbing Scripture, especially if you learn more by hearing than by reading. It can also help us to cover more of the Bible than we normally would through reading, and we can combine listening with other activities – such as driving the car, or washing up.

# The Complete NIV Audio Bible

Ever since he became a Christian at the age of forty, it was *Poirot* actor David Suchet's dream to make an audio recording of the whole Bible. In between filming the final episodes of *Poirot*, David Suchet spent over 200 hours in the recording studio to create the very first full-length audio version of the NIV Bible spoken by a single British actor.

This recording, and the Bible in One Year version, are available on MP3 CD and as audio digital downloads. The MP3 CDs can be used on any device that displays the MP3 symbol. You can transfer the audio files for your personal use onto your computer, smartphone, MP3 player and other compatible devices.

THE INTERNATIONAL BIBLE SOCIETY

The NIV is owned by Biblica, a charity that provides accurate, contemporary Bible translations and formats so that more people around the world will have the opportunity to be transformed by Jesus Christ.

Since 1809, Biblica has translated the Bible into more than 100 languages and produced more than 650 million Scripture resources. The charity also offers programmes and resources to help engage people more deeply in Scripture for life application and transformation.

Royalties from all Hodder Faith's sales of the NIV Bible help Biblica in their work of translating and distributing Bibles around the world.

## NIV Bible Stockist Scheme

At Hodder Faith we understand how complex buying a Bible can be, and the importance of a well-stocked range in aiding that decision. In order to support Christian bookshops in their mission to serve their customers, the NIV Bible Stockist Scheme can help ensure that your shop is the first and only stop when making an NIV Bible purchase.

Hodder Faith will provide a range of benefits to all bookshops that agree to become NIV Bible Stockists, including extra discount, exclusive Bible promotions, free point-of-sale material and more. In turn, NIV Stockists are expected to keep constant stock of a selected core list of Bibles plus a choice from the wider range, as well as displaying the NIV collection in your shop using the POS material supplied.

If you would like further information, please contact the Hodder Faith Sales team on [hodderfaith.sales@hodder.co.uk](mailto:hodderfaith.sales@hodder.co.uk).
