CREATE YOUR VERY OWN HORRID HENRY DRACULA MASK FOR HALLOWEEN!

WARNING: Before you start be sure to ask an adult for help if needed.

Step 1. Using scissors carefully cut around the outer red lines and cut out your mask.

Step 2. Cut out the eye holes and the holes in Henry's cape – this bit can be tricky so you may want to ask for help.

Step 3. Grab some string or elastic and pull this through one of the holes in Henry's cape and tie a not. Then do the same on the other side.

Step 4. Try on your mask and be sure to tag us in any photos with the hashtag #HorridHalloween.
