

Bring Your Toy to School Day

Instruction Sheet

To celebrate the publication of *The Christmas Pig* by J.K. Rowling, we invite you to run a Bring Your Toy to School Day on the 13th October 2021. This day could include show and tell and drawing activities. We have created an exciting pack to help you celebrate!

In this pack, you will find:

- 2 x A3 posters for schools to advertise “Bring your toy to school day”
- 30 x *The Christmas Pig* bookmarks

Ideas to help you celebrate:

- Download *The Christmas Pig* activity sheets for your class! These include a colour-in Christmas Pig activity sheet and a Draw your Favourite Toy (or item) activity sheet. Activity sheets are available to download at www.hachetteschools.co.uk
- Tune in to a very special video from J.K. Rowling to hear her talk about her favourite childhood toy! The video will be available from 9:30am on the 13th October at www.christmaspig.com
- Share your celebrations on social media using **#TheChritmasPig** and **#BringYourToytoSchoolDay!**

We recognise that some students may not have a toy readily available to bring to school on this day. We encourage schools to be mindful of this, and broaden your call to action as you see fit. For example, this could include inviting students to bring in any keepsake or special item that is important to them.
