How to make your own impossible ice cream

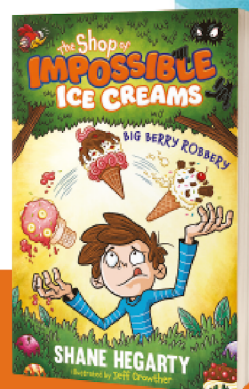

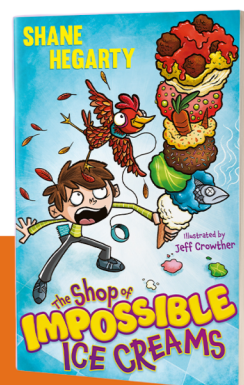

INGREDIENTS FOR 1 SERVING

- 240 ml single cream
- 2 tbsp caster sugar
- 1/2 tsp vanilla extract
- Ice
- 75 g salt
- Toppings of your choice
- You will also need a small and large resealable bag

INSTRUCTIONS

1. Combine single cream, sugar and vanilla extract in a small resealable plastic bag. Push out excess air and seal
2. Put ice and salt into a large resealable plastic bag
3. Place the small bag inside the bigger bag and seal
4. Shake the bag really hard for 7 to 10 minutes, until the ice cream has hardened
5. Remove from the bag, add your favourite toppings and enjoy!
6. Protect this recipe from evil Mr Fluffy...

Writing Activity

Imagine you have just walked into The Shop of Impossible Ice Creams and describe what it is like in the space below.

You might want to think about the following: What does it smell like?
What do you see? What ice cream do you pick and what does it taste like?
How does it make you feel?
