Beehive Mancala

A Nature Board Game

Tony Hall illustrated by Tatiana Boyko

- Learn the ancient game of Mancala, a fun and simple strategy game for adults and children from age 6+, ideal for two players
- Bees are a popular nature theme
- Includes fun facts on the bees and flowers featured, as well as an overview of the honey-making process and the importance of bees to our ecosystem

Buzz the bees to the flowers to collect pollen and then back to the hive to make honey for feeding and growing your very own bee colony. The player with the largest colony wins! Based on the ancient gameplay of mancala, *Beehive Mancala* is a fun strategy game for adults and children aged 6+.

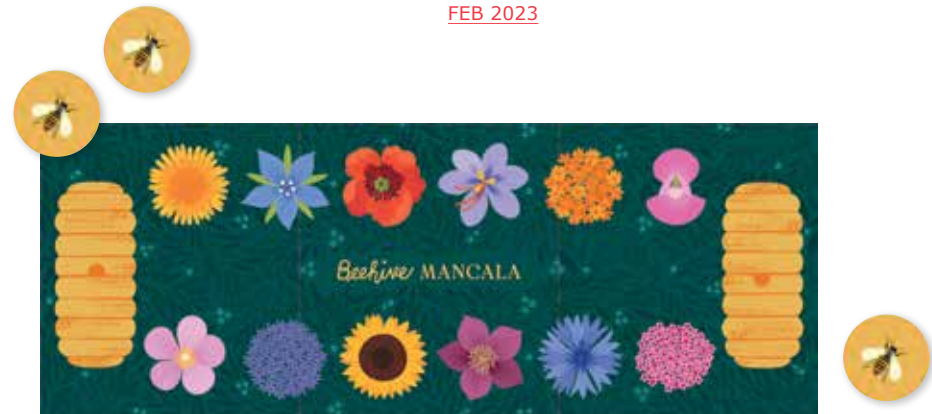

TONY HALL is a beekeeper and horticulturist with 45 years' experience, including 20 years at the Royal Botanic Gardens at Kew. **TATIANA BOYKO** is a Spanish illustrator, her work draws inspiration from nature, folk art and pattern design while retaining a modern style through her use of bold shapes and vibrant colours.

Monster Chef:

Make The Grossest Burger Ever

Juan Molinet

- **Compete to make the grossest sandwich!**
- **Picky monster customers have specific dietary needs and demands: can you become the perfect Monster Chef to satisfy them?**
- **Hilarious illustrations by Juan Molinet combined with truly revolting ingredients make for hours of disgusting fun**

A card game in which children play short-order cooks competing to be the first to complete a revolting sandwich for their monster customers. Each sandwich needs two pieces of 'bread' and five ingredients to be finished, from crispy fried ants to toenail clippings and belly button lint! But these are some fussy monster customers: not everybody loves sewer spinach or elephant ear wax! Can you be the first to satisfy your customer and achieve the title of Monster Chef?!

JUAN MOLINET is an Argentinian illustrator based in Berlin. He studied graphic design at Universidad de Buenos Aires before moving on to work for production companies as a character designer, illustrator and art director.

INCORPORATE EXERCISE

TOP 10 TIP 

Exercise is beneficial for sleep, but why? Exercise can help to keep weight down which means that certain sleep disorders, such as apnoea (involving pauses in breathing while we sleep), are less likely. It can also reduce stress, which is a factor commonly associated with sleeplessness. Exercising at a consistent time can support healthy circadian rhythms. It is sometimes recommended that we avoid exercise at night in case it increases alertness and prevents us from nodding off, but recent analysis of scientific literature suggests that night-time exercise (so long as it does not involve vigorous exercise within an hour of trying to fall asleep) can be good for our sleep too.

z Regular exercise, even in the evening, can help us sleep.

Stargazing

40 cards to light up the sky

Star gazing was labelled the 'breakout hobby' of 2020, and events such as the Super Blood Moon total lunar eclipse of May 2021 continued to caused great interest across social media and in the press, showing this trend is not going anywhere.

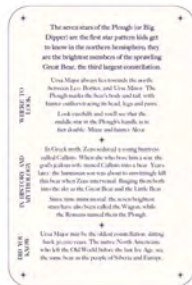

Card deck formats are increasingly popular as beautiful collectable items as well as informative and practical sources of knowledge. They are a fun new way to digest book-like content.

This deck provides an easy entry point into star gazing, no equipment is needed and it's not too technical for a total beginner to pick up and begin learning about the night sky.

A deck of cards to show you how and when to spot 40 constellations across the sky, explaining the key features to look out for as well as the myths and legends behind each one.

From the twelve constellations in the zodiac family or asterisms such as the *Big Dipper* and the *Great Square of Pegasus*, to the lesser-known formations of the *Chameleon* or the *Sculptor*, the night sky holds stories and legends that have fascinated humans for thousands of years.

Star Gazing is a deck of 40 illustrated cards, each one showing a different constellation, plus a 16pp booklet introducing star gazing and constellation spotting. The deck will explore the origins and myths associated with each constellation, guide you on how to locate each one in the night sky and the best time of year to spot them, as well as key features to look out for and interesting facts about the stars.

Trickster's Journey

A Tarot Deck and Guidebook

UNIQUE EASTERN-INSPIRED TAROT DECK FROM AN ASIAN AMERICAN ARTIST. *Trickster's Journey* sets itself apart from other decks by infusing characters and iconography from Eastern stories and traditions. Guided by the thematic and aesthetic influences of the Chinese literary novel *Journey to the West*, fine artist Jia Sung has created a truly singular deck that invites new and diverse audiences to engage in this worthwhile divination practice.

This set includes 78 fully-illustrated cards, a full-color, 168-page flexibind guidebook, and a magnetic closure keepsake box with special production effects.

An evocative, deluxe illustrated tarot deck and guidebook set inspired by Chinese mythology and the canonic 16th-century Chinese novel *Journey to the West*.

An inclusive, subversive deck: *Trickster's Journey* reimagines the tarot by exploring its themes through the lens of Eastern mysticism, folklore, and spirituality. By renaming the Fool card to Trickster (a character based on the legendary Monkey King in *Journey to the West*) this archetype of the sojourner takes on new meaning-and new agency-as a seeker of truth and self-discovery. Created by fine artist Jia Sung, this fresh take on the classic figures in the Major and Minor Arcana uses symbols from Buddhism and ancient Chinese history to enliven this age-old divination practice once more.

Deluxe set: This set includes 78 full-color illustrated tarot cards (3 X 5 inches), shrink wrapped in an interior travel case; a 184-page, full-color illustrated flexibind book (4 3/4 X 6 inches); and a keepsake magnetic closure box with metallic foil accents. Cards and travel case are embedded in an interior flocked tray.
