# ABOUT THE BOOKS

Heartstopper is a teen LGBTQ+ graphic novel series by Alice Oseman, covering life, love and everything in between. Sweet and funny, it also sensitively deals with topics like bullying and coming out.

## Heartstopper – Volume 1

Charlie and Nick are at the same school, but they've never met ... until one day when they're made to sit together. They quickly become friends, and soon Charlie is falling hard for Nick, even though he doesn't think he has a chance.

But love works in surprising ways, and Nick is more interested in Charlie than either of them realised.

## Heartstopper – Volume 2

Nick and Charlie are best friends. Nick knows Charlie's gay, and Charlie is sure that Nick isn't.

But as the boys grow closer, Nick discovers all kinds of things about his friends, his family ... and himself.

## Heartstopper – Volume 3

Charlie didn't think Nick could ever like him back, but now they're officially boyfriends. Nick's even found the courage to come out to his mum.

But coming out isn't just something that happens once - there's Nick's older brother, and a school trip to Paris, not to mention all the other friends and family - and life can be hard, even with someone who loves you by your side. As their feelings get more serious, Charlie and Nick will need each other more than ever before.

## Heartstopper – Volume 4

Charlie didn't think Nick could ever like him back, but now they're officially boyfriends. Charlie's beginning to feel ready to say those three little words: I love you.

Nick's been feeling the same, but he's got a lot on his mind - not least coming out to his dad, and the fact that Charlie might have an eating disorder.

As summer turns to autumn and a new school year begins, Charlie and Nick are about to learn a lot about what love means.

## Heartstopper – Volume 5

Nick and Charlie are very much in love. They've finally said those three little words, and Charlie has almost persuaded his mum to let him sleep over at Nick's house ... but with Nick going off to university next year, is everything about to change?

Contains discussions around mental health and eating disorders, and sexual references.
