

paperblanks®

From Masterpieces to Everyday Treasures

This season brings a vibrant new collection of cover art to the Paperblanks catalogue.

From Enlightenment-era bindings and spectacular Cubist art to ancient Greek pottery, our unmistakable printing and foiling techniques bring each design to life.

For Fall 2025 we are thrilled to welcome Johann Wolfgang von Goethe and Astrid Lindgren to our iconic Embellished Manuscripts Collection. We're also especially delighted to be releasing two new series in our collaborative collections with the J. Paul Getty Museum and The New York Public Library. Plus, we're excited to expand our range of cahiers with a new grid interior, as well as a special musical stave interior for select titles.

You will also notice a change in our product categorization, as we will no longer be using the term "Flexis" to refer to our softcover notebooks. We hope this will eliminate confusion surrounding the category and the pronunciation of it, and help to group all journals – both hard and softcover – together more seamlessly. Rather than as a separate category, "hardcover" and "softcover" will be listed as a feature of the product going forward.

Step inside and experience our latest collection of journals and cahiers plus our wonderful assortment of lifestyle accessories and specialty items.

We hope you enjoy our latest products!
