What's New from Paperblanks

We're excited to welcome you to the Paperblanks Spring 2026 collection! Featuring a vibrant range of cover art from everyone from Vincent van Gogh to William Shakespeare, we're sure you'll love it as much as we do.

This season's catalogue features special editions inspired by two American literary icons. Discover exclusive designs based on *Fourth Wing*, the bestselling romantasy novel by Rebecca Yarros, and *Carrie*, the chilling classic by the "King of Horror," Stephen King. This season promises to spark creativity in every literature lover.

Last year, we were delighted to introduce our partnership with Warner Bros. Discovery Global Consumer Products, marked by the release of our exclusive Harry Potter Collection. This season, we are excited to expand on that partnership through our second collaborative release, The Lord of the Rings Collection, which showcases iconic visuals from the beloved trilogy with our signature Paperblanks touch.

In collaboration with The New York Public Library, we're proud to present New York Rose, inspired by a stunning Gilded Age binding from the extraordinary Spencer Collection. From the same iconic library shelves, meet Mimosa, the sibling of our beloved Poetry in Bloom design reimagined with a beautiful new pink colourway.

Stepping beyond the archives into the contemporary, our collection includes Lotus River, a design by New York-based artist Yuko Shimizu. As the newest title in our Living with Yuko series, it brings a touch of whimsy to the Spring 2026 lineup.

We're also shining a spotlight on our new pencils and cahiers, which are perfect for thinking about the Back to School season.

We hope you enjoy our latest products!

Shadows of Navarre

FOURTH WING · REBECCA YARROS' EMPYREAN COLLECTION

Rebecca Yarros reignited the romantasy genre with the release of *Fourth Wing* (2023), the first book in her *Empyrean* series. Centered around 20-year-old dragon-rider recruit Violet Sorrengail, the series defies traditional fantasy tropes by offering readers a female hero who is both formidable and deeply human.

Les Papillons

GIACOMELLI'S WORLD

Be enchanted by this golden etching originally created for a 19th-century book cover. A French watercolourist, engraver, and illustrator, Hector Giacomelli (1822–1904) was highly sought after for his ornamental additions to written works. It is one of his instantly recognizable book cover designs that we have reproduced here. Originally etched in gold on a cloth cover, it reflects Giacomelli's passion for the natural world.

GILDED AGE

Adorned with garlands of flowers and gold embellishments, this cover design reflects the sophisticated beauty of the original 1898 binding, which contained *Prue & I* by George William Curtis. Written during the height of the Gilded Age period, the work was a sentimental, tender, and humorous study of life.

Vault of the Milan Cathedral (Burgundy)

DUOMO DI MILANO

The drawing recreated here is part of a series proposed by the architect Paolo Cesa Bianchi (1840–1920) for the decoration of the interior vaults of the Milan Cathedral. The soaring arabesques create a sense of a faux relief arborescence over a golden background.

POETRY IN BLOOM

This design centres around a sensitive plant (*mimosa pudica*) surrounded by chambers containing snowdrops and other richly hued and contrasting flowers, foliage, and butterflies. The original binding was used for *The Sensitive Plant and Early Poems* by Percy Bysshe Shelley and is a celebration of the many moods of the creative spirit.
