

POOEMS

Can you draw the poo that belongs to each creature?

Mermaid Poo

Mermaids munch on so much fish,
Their poos have silver scales.
They make them into earrings
And sell them to blue whales.

Flamingo Poo

Flamingo poos are shades of pink.
They're packed with shrimp
And quickly

Martian Poo

Martian poos are pink and blue
With green and orange stripes.
They ooze from the three bottoms
That Martians have to wipe.
